

Curiosity Corner Crier Jan. 2010

Welcome new children!
Zinedine
Serenety
Shaliyah
Tyler

Thanks to Bill Raab
for his volunteer time
last month It was very
special!

Watch for parent night in-
formation. We will have a
dinner/family night toward
the end of the month.

***Welcome back and thank you for a
nice vacation !***

January 14 is the day
for **vision screen-
ing for all 3-5 year
olds**. Every year we
have the Seattle Pre-
school Vision Screen-
ing Project
here to do a
simple screen-
ing for the
children. It is
free for you
and has helped many
children identify early
vision problems. You
must sign a permis-
sion slip for the
screening . Your
child's teacher
should have sent it
out—if not there are
extras in the office. **I
hope you all will
participate!**

**End of the year tax statements are
ready for you to pick up in the office.
Pick them up when you are ready to do
your taxes.**

Attention! Attention! Attention!
***Curiosity Corner School will be closed
on Jan 18th(MLK day) because we
are going to have a United Way group
here helping us paint the front class-
rooms, bathroom and the front hall!***
***Our space will be in half and the fumes
won't be good for kids, so we need to
close for the day. I hope that most of
you will have the day off anyway.***
***We will be back on Tuesday with a
new, fresh look! Thanks for under-
standing!***

**Fundraisers : Butter braids sale made \$140.00 and
the gift wrap / book fair made \$ 118.00
We still need more donations for the goat!**
