We will have a little program with the children and a very informal commencement program for those children entering kindergarten in the fall. Then, we will have a good old fashioned B-B-Q. This is for everyone and grandparents are welcome too. Please let us know if you are coming and how many will be in your group.

Our next fundraiser will be in the fall and on a larger scale than we have done for awhile. This is in the planning stage now and **we really need some more people to work on it** . So if you have any experience, ideas, energy or would just like to get to know some people here, Please let us know!
